

Dust To Dust

by Roland Albertson

We're just dust to dust
Yes it's all of us
No we won't give in
No not let it win

Cos we started here
And it's where it ends
No we won't let this
Get the best of us

When it really feels
Like you're all alone
Like you've got nothing left
And no more reason to live

Now I want you to know
That you tried your best
And that you are so much
Stronger than you will ever know

This how it goes
How it's meant to be
We're all standing with you
On our journeys around the sun

All our energies
Connected to you and me
Yes this cosmic connection
Between you and me and the stars

So it's time to rise
Yes it's time to shine
Show the truth of your magical heart
And your magical soul

Yes it's time to rise
Yes it's time to shine
Show the truth of your magical heart
And your magical soul

We're just dust to dust
Yes it's all of us
No we won't give in
No not let it win

Cos we started here
And it's where it ends
No we won't let this
Get the best of us
